ABOUT

Passionate Experience

Patrick, a lifelong musician and entertainer, discovered his passion for music early in life. With over a decade of experience in the wedding industry, he's delighted crowds at over 500 weddings since 2013. Patrick's expertise spans various musical genres and decades, bolstered by his warm persona and skillful emcee abilities. He looks forward to being a part of what makes your event memorable!

WHAT FOLKS ARE SAYING

Patrick is the best!!! We could not have been more satisfied with the job he did. He was professional throughout the whole process and a terrific communicator. He was great on the mic, had the dance floor rolling all night and his choice of songs/mixes was top notch. Could not recommend Patrick enough! - MacGreggor R
